NOUN: A name of a person, place or thing
 ADJECTIVE: Describes something or somebody
 ADVERB: Tells how something is done (usually ends in -ly)
 VERB: Action words
 EXCLAMATION or SILLY WORD: funny sound words or phrases you would shout out

NED had a _____ day at the museum. He saw _____ paintings and _____ drawings and even a sculpture that looked like a _____. He couldn't wait to get to the _____ and make his own sculpture. *But what shape to choose*, he wondered? “I know,” said NED, “I’ll make a _____ out of clay!” But when he started to make it, he quickly found out that the clay was too _____, which made it very hard with work with! He wanted to give up and play with a _____ instead. “_____!” said NED, “I will never give up. I’ll finish this even if it takes me _____ hours.” So NED took a deep breath, winked at the big painting of _____ on the wall, and kept working. Finally, his sculpture was complete. He named it _____ because it looked like a _____. “It might not end up in a museum,” NED said, “but maybe _____ will line up at the _____ to see my work some day.”

NED *Libs!*

It was a _____ ADJECTIVE Saturday afternoon. NED and his _____ ADJECTIVE friends were bored and wanted to try something new. “Hey, let’s make some _____ ADJECTIVE music.” Each friend went home and made instruments out of _____ PLURAL NOUN (things). Then together formed a drum set from 6 _____ PLURAL NOUN (things) and a guitar from a _____ NOUN (thing). As they played their first song, they noticed that someone was missing some notes and it really sounded like a _____ NOISEMAKER. “Sorry guys”, he said, “the only music lesson that I’ve ever had was taught by _____ NOUN (PERSON). I don’t have to be in the band.” But NED could tell his friend was feeling sad. He had to come up with an great idea in only _____ NUMBER seconds . “We’re in this band together,” said NED. “Don’t worry! We’ll _____ VERB closer to awesomeness each time we practice!” So they chose their favorite song, _____ SONG TITLE, and kept playing it from the beginning, very _____ ADVERB, until the last note. “_____ EXCLAMATION,” said NED, “that rocked! If we keep practicing, who knows? We could be playing a concert at _____ NOUN (place) and all the _____ PLURAL NOUN will applaud.”

Looking out his bedroom window, NED could see it was a _____ day. He couldn't wait to get outside and ride his flying _____ over to the _____. But NED also knew that today was chore day. He sighed at the _____ pile of _____ laundry on his bed. "Putting this away will take me _____ hours," thought NED, "by then it will be too late to go for a ride!" So, NED decided to clean his room by storing the strangest objects first. He dumped his _____ in the drawer and threw his _____ on the closet floor. He _____ his _____ under the bed. It only took him _____ minutes and his room was as clean as _____. After a full day of cleaning and flying NED fell fast asleep until the alarm made its _____ sound the next morning. "I can't be late for school," he thought as he raced to the dresser for a pair of pants, only to find a messy pile of _____. "_____" he said as he ran to the school bus stop. "I should have done my best yesterday and then I wouldn't be wearing two _____ on my feet, instead of socks!"
