

Responsibility... is fun and rewarding!

Kids, work with your parents to...

1. Indicate all of your weekly tasks, the days and times you need to complete them, and assign a point value for each task on the Responsibility Chart provided.
2. Discuss with your parents what your reward will be when you've reached the finish line! Write your reward at the bottom of the Responsibility Chart.

OPTIONS:

- 3a. Instead of using the Tokens to track your progress, simply color one square on the Reward Board (page 2) for each point you earn. When you've reached the finish line, enjoy your reward!
- 3b. Color your Reward Board. For durability, either laminate the Tokens, Responsibility Chart & Reward Board -or- place the Reward Board in a plastic binder sleeve. If you use a dry erase marker to fill in your Responsibility Chart, you can use it over and over!

Choose and cut out your Token. Siblings can use the same board, just color your own Tokens! Add small piece of tape to the back of the Token to adhere it to the Board.

Move one space on the Reward Board for each point you earn. When you've reached the finish line, enjoy your reward!
