3 OUTSTANDING REASONS TO ENTER YOUR SCHOOL'S PROJECT INTO THE CHALLENGE:

- 1** If you're doing a community service project at your school and share your experience with us, we'll honor your project by sending a **NED award certificate** for your community kindness!
- 2** If your school's project demonstrates exceptional purpose, student involvement, and student learning, it could be featured on NED's Keep Kindness Going **Gallery** on *theNEDshow.com*!
- 3** Every submission is in the running for the Keep Kindness Going **Mini-Grant**! After April 20th, we'll consider each project for the mini-grant. To conclude the challenge, we'll award one school \$300 to be applied to its next community service project! **TAH DAH! Kindness Continues!**

BONUS REASON... Whenever you encourage kindness in your community, you make your community feel awesome and that keeps kindness going, and going, and going!
