
THE NED SHOW®

a motivational ASSEMBLY coming to our school...

NED®

Never give up
Encourage others
Do your best®

Dear Teachers & Staff,

The NED Show visits 2 million students every year across the United States, Canada, the UK, Australia and New Zealand. We have performed at the White House eleven times and will visit 5,000 schools this year - *including your school!*

This 45-minute character education assembly promotes positive attitudes and encourages students and staff to do their best every day.

Online resources give you the opportunity to build on the excitement created and make a long lasting impact with your students.

Your school chose to Pay-It-Forward®

The NED assembly and all of these resources come to your school at no cost, because a school before yours participated in the Pay-It-Forward sale.

Your school's effort at selling NED messaged items, like yo-yos, makes it possible for our program to visit the next school.
